PEI-P'ING PREPARES FOR WFTU CONFERENCE;
EDUCATORS ATTACK US WHITE PAPER

ALL LABOR GROUPS COMBINE EFFORTS -- Wen-hui Pao, 31 Aug 49

Pei-p'ing, 29 August -- Preparations are being made to welcome Asiatic and Australian labor delegates to the World Federation of Trade Unions Conference which will soon be held in Pei-p'ing.

On 28 August 1949, the Preparatory Committee of the Pei-p'ing General Labor Union summoned labor representatives from the Pei-p'ing Youth Committee, the Pei-p'ing branch of the Pei-p'ing-Tien-ching Railway General Labor Union, the Shih-ching-shan Electric Power Company, and various iron and steel mills in this city. At this meeting, it was decided that all the representative groups would unify their efforts under one welcoming committee. It was also decided: (1) to organize city-wide workers' clubs in factories; (2) to publicize production records of each factory during the first half of this year, and also the work of labor unions during the same period, and (3) to exhibit pictures of world labor leaders in prominent places.

Two buses of the T'ien-ching Public Motor Control Office will be placed at the disposal of delegates upon their arrival in T'ien-ching.

PEI-P'ING PRACTICES COLLECTIVE BARCAINING -- Wen-hui P-o, 6 Sep 49

The signing of a collective bargaining agreement by management and labor in the Pei-p'ing native medicine industry is a good example of settling labor disputes by democratic discussion and agreement. The bargain was signed after 2 months' discussion in which the interests of both sides were kept in view and the need of production was emphasized. It was approved by the Pei-p'ing Labor Bureau and is to be in force 6 months. The agreement provides for better treatment of workers and corrects certain widespread abuses which had sprung up after liberation.

Members of the Peking University staff have issued a statement signed by 419 persons attacking the US White Paper. It says that the White Paper reveals the cruel face of American imperialism, which is trying to divide the Chinese people and is opposing the people's democracy. The statement declared that all persons should now give up their vain dreams and join the Chinese people's anti-imperialist camp, distinguishing between friends and enemies. China must take precautions against US plots, unify itself, and firmly support the world peace camp headed by the Soviet Union in order to deliver a final blow to US imperialism, said the statement.
